From the Co-Prez:

Valentine’s Day! Hearts and the color RED. Get those creative juices flowing and paint or draw a picture that signifies Valentine’s Day to you, but, NO RED in the picture. Whatever medium you prefer. Bring it to the meeting and let’s see what everyone comes up with!

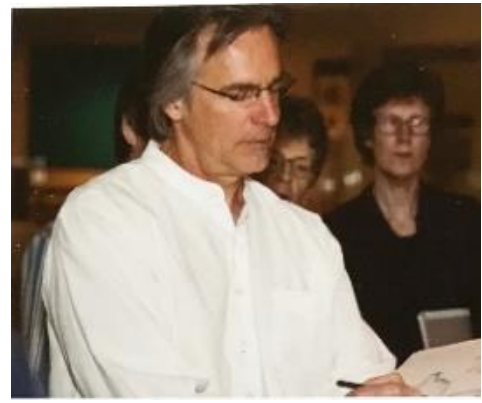

Just have fun with it, but remember, NO RED in the picture.

Happy painting and Happy Valentine’s Day!

-Pat

February Demo Artist

Chuck Ceraso - Pastels

“Painting can be about much more than making pictures. It can be a means of seeing the world and ourselves with new eyes. It can be a process of endless revelation for both the artist and the viewer.”

Chuck Ceraso
